Summer 2021

## ELECTION DAY UPDATE

On Tuesday, August 3, 2021, a Municipal Primary is scheduled for the purpose of nominating candidates to the offices of Mayor, City Clerk and City Council. A Charter Revision question will also appear on the ballot. Four (4) City Council districts will not have a primary. Michigan Compiled Law 168.540 requires that in order for a primary to occur, more than twice as many candidates must qualify to be placed on the ballot. Other than City Council At-large, all District offices are "vote for one" positions. As such, Council Districts 2, 3, 5 and 6 will not have Primaries. Police Commission Districts and Community Advisory Councils will not appear on the Primary ballot because of the same rule. However, all offices will appear on the November 2, 2021, General Election ballot.

Beginning Monday, July 12, 2021, all qualified voters may vote by absentee ballot at one of the 13 Satellite Voting Centers conveniently located throughout the city (see list on the following page). To minimize the risk of increasing the cases of COVID-19, the Department of Elections encourages those who plan on participating in the Primary, to vote

by absentee. If you choose not to take advantage of satellite voting you may call the Department at (313) 876-0212 and request an application or go to [detroitmi.gov/departments/elections](http://detroitmi.gov/departments/elections) and download your request.

Remember, electors who vote by absentee ballot are no longer required to provide a reason. Proposition 3, a 2018 measure passed by Michigan electors, lifted the requirement for a reason and, as such, more than 174,000 Detroiters voted by absentee ballot — making the difference in the 2020 Presidential Election.

On August 3rd, all polling locations will be open. To expedite your experience when you cast your vote, take time to review the back of your Election Connection Newsletter and familiarize yourself with your polling location, and the list of candidates in each office. Make your selection(s) before you go to the polls and, on Election Day, transfer your selections from the sample ballot onto your official ballot.

# ARE YOU YOUR BROTHER'S KEEPER?

Donated kidney provides second chance at life

CITY CLERK JANICE M. WINFREY, HONORARY CHAIRPERSON OF MOTTEP, SHARES THE FOLLOWING STORY.

Earl James has some advice for men who are inclined to ignore the typical aches and pains that come with age: ignore them at our peril.

James said he thought he had a bad case of flu when he finally put off going to the doctor and went to an urgent care clinic in December of 2016. It turned out he was in end stage renal failure – the clinic advised him and his wife, Dior, to drive straight to a hospital emergency room. It was a shock to the system for Earl, who was only 33 at the time. He was placed on dialysis the next day, stunned and still wondering that had happened. He later learned that he had simply missed the warning signs.

Harrell and Earl James

Always strong, fit and active, Earl was an athlete who played basketball and football throughout his life. He exercised three times a week and, when he felt an odd pain, slightly blurred vision or experienced some fatigue, he ignored it, thinking he may have just pushed himself a bit too hard during his workouts.

Earl was diagnosed with end stage renal failure on his birthday. His kidneys were in such bad shape, he said they were about the same size as peanuts. Doctors said they were in such bad condition, they could not even perform a biopsy.

Earl James' younger brother, Harrell, volunteered to donate a kidney and testing determined he was a good match. The transplant took place exactly six months later – in August of that year.

"That was a true, true blessing right there," Earl said. "I told Harrell I could never make it up to him."

Things have turned around since Earl recovered from the surgery. He started his own trucking company, Trio Trucking, LLC., named in honor of his three daughters. They've since purchased a new home, too. Earl encourages all his friends to get regular check-ups and to sign up on the Michigan Organ Donor Registry.

"I encourage everyone to do it," Earl said. "I would do it for anyone, without even second-guessing it. If I've got two and need one, why not?"

For more information, or to sign up as a donor, visit [golm.org](http://golm.org).

We honor life through donation. <sup>SM</sup>
